

ANNUAL REPORT

SESSION (2022 - 2023)

The Annual Report displays the glory of achievements and pride of our school, undoubtedly, but also makes us think deeply about our shortcomings. We have always been obligated to make a difference in the learning and lives of all students, focus on learning and teaching that influences a broad range of outcomes-both cognitive and social/ emotional- for today and the future.

We set standards and goals for ourselves and strive to achieve them-be it in the area of academics, sports, discipline, leadership and more.

*"Education is not preparation for life,
Education is life itself." – John Dewey*

Our Motto:

The Motto of our school is "PATIENCE, PUNCTUALITY AND RESPONSIBILITY". All the staff and students of the school are expected to keep the school motto always in their minds and ensure standard of excellence. To provide quality education to all, economic condition should not be a reason to deprive oneself from education.

Our Mission:

We aspire to craft socially conscious and responsible individuals. Our mission is to create torch bearers. We aim to edify students about the worth of hard work, justice and dignity.

There is a great saying: "Real education fetches you more than a job. It teaches you to live. It cannot be measured in any tangible way." Today we celebrate the courage that our students display in the path to success.

Exclusive Features of our School

Involvement Of Management:

Mr. Dinesh Channawar, President and Mrs. Shubhangi Channawar, Director of Aakar Education Society are present in the school throughout the day. They are also involved in teaching various subjects, so management is fully aware of student's problem. Mr. Dinesh Channawar, President has completed four online courses of Vedic Maths. Teachers teaching Maths are trained accordingly to teach Vedic Maths through Puzzles, Games and Activities. Mrs. Shubhangi Channawar is deeply involved in grooming teachers and guiding them. She also trains students for competitive exams. Apurva Pande, Principal of the school, is a strategic woman who uses her brilliant mind to create and innovate in challenging environment. She helps teachers for handling multiple tasks skillfully. As a resource person of CBSE, she trains teachers by taking workshops on different methodology of teaching.

Involvement of Executive Committee of Parents Teachers Association:

EPTA is a sign of responsibility on the part of parents.

EPTA is involved in following sectors of the school :-

1. Deciding Annual Fees of the school. EPTA members suggest the hike in fees every year by taking the efforts of the school into consideration. Fee regulation is done as per Maharashtra Govt. Gazette 2014, 2016 and 2019.
2. While deciding the strategies for Annual sports meet and Annual Function of the school, suggestions by EPTA members are considered first of all. Fees to be charged is decided in EPTA meet.
3. School Curriculum: All members give suggestions regarding School curriculum and its implementation. They are also involved in teaching strategies of the school.

4. Scholastic Activities in school: Activities like Interdisciplinary, Project (Diwali & Summer), Subject Enrichment Activities, Co-curricular Activities, cyclic test, Sports, Scholarship Exam, Language Skill Development Activities, Vedic Math's are conducted by the school very sincerely. Account of all kinds of preparations and results are first informed in Executive Committee Parents Teachers Association Meeting.
5. Infrastructure of the school: They all are informed about infrastructural developments of the school.
6. Planning for academic change/ improvement is discussed in last meeting of the year.

Important Decision by EPTA:-

This session in EPTA conducted on 19th November 2022 the management presented the complete analysis of Fees Structure. It is approved by all designated member of EPTA for session 2022-23. .

Involvement of School Managing Committee:

The School Managing Committee looks after following matters of the school.

1. Admission Policy
2. Welfare of the teachers and employees of the school.
3. Activities of the school for its smooth functioning.
4. To evolve both short term and long term programmes for the improvement of the school.
5. To review budget of the school presented by the principal and to approve it.
6. Academic strategies, its implementation and effectivity.
7. Results of Std.X.
8. Innovations and implementation of various new academic projects and CBSE circulars.
9. President of EPTA is Chief guest of 15th August (Independence Day) and 26th January (Republic Day) Celebrations.

Safety of Staff and Students:- Child Protection policy is signed by school personnel. Child Help Line No.1018 is displayed in main lobby in Hindi and in English. Students are trained to understand safe touch and unsafe touch. Complaint mechanism for children is made available. During recruitment of staff no candidate with criminal record is recruited. Police verification is taken into account. A child abuse monitoring committee (CAMC) is constituted. Training modules are developed as per age criteria. Internet safety protocol is established and implemented in school.

Teachers Training for session 2019-20 And 2020-21 :- The school arranges a training sessions for the professional development of teachers. Teachers attended training sessions . A CBSE Training on 'Child Development' conducted by Ms. Kauser Hussain which was organized in School on 20th March 2023. 'Communication and life skill for being effective teacher' conducted by Ms. Shreya Lalwani in School on 14th Oct. 2022.

Inhouse trainings conducted by CBSE Resource person Ms. Apurva Pande in School –

1. 'Experiential Learning' on 6th December 2022 .
2. 'Nurturing Emotional Intelligence in children' on 12th October 2022.

Infrastructure:

35000 sq.ft. construction of the school contains two floors. Spacious corridors, Teachers staff room wide staircase, airy porch, stepped classrooms, multipurpose halls, luxurious library, hygienic washroom are special features of construction. Plantation is done in 3 acres and the campus has a lush green look. 20 classrooms and 2 Computer Labs, Dance room, Science labs, Art room, Maths Lab, Multy activity rooms, separate washroom areas for boys and girls etc. are the main features of construction. All classrooms are built with auditorium design (stepped) for better visibility and attention towards teacher and teaching. Some more features were added as follows.....

- | | |
|--|----------------------|
| 1) Auditorium to accommodate 1000 students. | 4) 3 Cricket Pitches |
| 2) Turf for Box Cricket & Futsal (Football). | 5) Entrance Gate |
| 3) 2 Outdoor Badminton Courts. | 6) Reception Area |

COMPETITIVE EXAMS

The school always motivates student to participate different Competitive Exams. School also provide special guidance for these exams. Large number of student excel in following exams.

Homi Bhabha Bal Vaidnyanik Exam is conducted each year by MASTA for Std. VI and IX.

Olympiad Exams: "The quality of your thinking, determines the quality of your mind." Participation in the Science, Math's, English and General Knowledge Olympiad, itself is the biggest competition where a student competes to outshine others. Students from Std.I to Std.X can appear Olympiads conducted by Science Olympiad Foundation, New Delhi.

Vedic Math: We have introduced Vedic math for Std.III to Std. VIII. Math-O-Mind Mathathon is an in house competition which consists of pen paper tests as well as tests on software. Two topper students from each class are rewarded with attractive prizes.

INNOVATIVE INITIATIVES

Remedial Classes : We identified 20 to 25 students from every standard who needed individual attention. Every morning 30 minutes are utilized for drilling the concept of subjects like Maths and Science. This is bridging the learning gaps successfully.

Hands On Experience: Agricultural sector occupies a vital position in the overall economy of our country. Management has purchased 3 acres of land in order to provide hands on experience from Std. I onwards in agricultural practices. They will also learn dignity of labour. Classes from Std.I to X visit farm periodically and observe the growth of crops and process of farming. This session students could not visit Organic Farm due to pandemic situation.

Computer Education: The School has two state of art computer labs with 80 latest versions of computers installed with latest software to impart practical skills which prepare students to face digital world in a better way. Where in students are taught to work on software like Photoshop, Tux paint, Logo, Microsoft Office etc. Programming Languages like C+ +, Html, Java are taught. We also have Vedic math software for students to practice in real time quick calculations of all mathematical operations.

Reading, Listening, Speaking & Writing Skill Development Program: This in house program helps building reading ability. Students are taught phonetics and then words with correct intonation, pronunciation and stress. Word building is taught using audio visual aids. Students are tested and corrective measures are adopted. Various study material and material needed for various activities are prepared and used by our teachers.

e books: All the subjects are taught using e books Digital content provides fresh inputs and enriched visual appeal. Learning is faster and has more retention. Many concepts are taught by using stories, animations and PowerPoint presentations.

Math Lab: Our math lab is equipped with charts, puzzles and modern equipments. They help in clearing mathematical concepts faster. Various activities are performed regularly. Software is installed in Math Lab.

Science Lab: To enhance the learning ability and skill, and impart practical exposure about theoretical concepts learned, the school has a composite science lab with projector and interactive board. The lab has models and equipments designed as per NCERT Curriculum.

Sri Aurobindo Vidya Mandir

Assembly: Session (2022 - 2023) Assembly was more Student-centric. Involvement of parents was increased in assemblies. Students performed theater activity, scientific experiences, skits, songs, dances, speeches, extempore etc. in assembly.

Community Outreach: The school believes in reaching to community and to transform the society. Activities like Dengue Awareness, ORS supplement for safety, Healthy Food Habits, Tobacco awareness among drivers were initiated by students under the guidance of stakeholders.

Library: School has spacious 1500 sq. ft. library with 3500 plus books. Students are motivated to read and get books issued regularly. They have 2 to 3 Library periods per week.

Multipurpose Hall: A 2500 feet hall is used for conducting meetings, seminars, assembly and subject enrichment activities.

Broadcast Groups: Photographs of celebrations and functions are sent using broadcast facility. Important information is also shared with parents from this platform. New words & Idioms are sent to parents through Broadcast Group for revision of students on daily basis.

Educational Excursions And Field Visits: They provide rich experience and aids learning process. They learn to adjust with each other and are exposed to new horizons and aspects at life.

Annual Function & Sport Meet: These are held alternate years in our school.

Sports: Carrom, Chess, Khokho, Kabaddi, Net ball, Volley ball, Foot ball turf, Chess, Table Tennis, Cricket turf, Basketball are games taught in our school. Our students participate in various District and state level competitions.

CCA : "The quality of School life is determined by its activities."

Our school truly believes that physical as well as mental activities play a vital role in building a bright future of the children. There are plethora of co-curricular activities that are held in our school like handwriting competitions, art integrated activities etc.

Kavya Padwe.
27. Students secured 1st place at District Level Boxing Championship.
U/14 – Boxing team (Boys).
28. Students selected for Division Boxing Championship.
U/14 – Boxing team (Boys).
Swami Shirpurkar, Vedant Khedkar

Health and Physical Education and Environment Education: To inculcate consciousness among students regarding Environment, conservation of environment and plantation the management has purchased 3 acres of land in order to provide hands on experience from Std. I onwards in agricultural practices. Agricultural sector occupies a vital position in the overall economy of our country. They will also learn dignity of labour. They are shown different stages of growth of various vegetables growing in the field. Students from all classes have respective areas for plantation. They planted different crops /plants and gathered information about it like its Scientific name, uses, medicinal values etc.

Through Health and Physical Education activities like practice of Indigenous Sports, Yoga and Environment related activities like Plantation, First Aid, Rallies based on 3Rs- Reduce, Recycle, Reuse and Anti corruption, the school tries to develop an Environment conscious, Sporty, Empathetic and Spiritual youth of India. The school had organized activities like Cleanliness Drive and Community Lunch to inculcate empathy, social awareness and sensitivity towards Food Security.

Counselling Cell – Modern Society is accompanied with perplexities & challenges. The cell functions respecting the students privacy so that they are free to explore their concerns, feelings & behaviours.

Following points were focused :

1. Encouraging safety, health & hygiene.
2. Reducing immediate distress.
3. Normalise the worry & developing healthy ways of addressing worry.
4. Take constructive steps towards solving life problems.
5. Increase supportive communication in relationships.
6. Generate a sense of realistic hope.

Medical Camps: Are conducted regularly to identify health issues among students and keep an eye on their development. Necessary instructions are given to students and passed on to parents as information. On 12th January 2023, the school organized 'Eye and Dental' check-up Campaign through maximum students were benefitted.

Result Analysis: Session 2022-23 was our Sixth Batch of Std. X. Total 68 students appeared AISSE' 19. Following is the analysis of the Result.

Performance Statistics at a glance (Std. X – 2022-23)

Number of Candidates	68
Average Percentage Score	74.4
Highest Percentage Score	95.2
Percentage of class scoring 80% and above	44.11
Stream wise performance	
Subject wise performance	
English Communicative Avg. %	76.79
Hindi Course B Avg. %	80.00
Marathi Avg. %	87.21
Sanskrit Avg. %	80.09
Mathematics Avg. %	60.14
Science Avg. %	71.95
Social Science Avg. %	78.97

Conclusion : Excellence in education and fostering the love of learning is the hallmark of 'Channawar's e Vidya Mandir.' Many milestones have been achieved and many still have to be reached. We at Channawar's e Vidya Mandir will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education. The report is a sincere attempt to display our progress in terms of achievements and activities during the year. We account our success with pride and happiness, we wish to dedicate all our achievements to the committed effort of a committed team called Channawar's e Vidya Mandir. We humbly salute our visionary stakeholders who are always there to guide the entire CeVM family.

"Live as if you were to die tomorrow, Learn as if you were to live forever."
